Description :

Prsentation de l'diteurAn abomination, long thought buried, has resurfaced in a war-torn land. But now it wears an American flag. Faced with another nightmare reborn, Captain America will not stand for yet more death at the hands of a ghost from his past. Haunted by his greatest shame, Thor must renew the hunt for a familiar beast. At their side, an assemblage of allies united to end the threats no one of them could face alone. They are soldiers. Warriors. Comrades-in-arms. Mighty heroes led by a living legend, stronger together than apart. They are the Avengers.Prsentation de l'diteurAn abomination, long thought buried, has resurfaced in a war-torn land. But now it wears an American flag. Biographie de l'auteur Springing from the fertile ground of the U.K. comics scene, Warren Ellis came to Marvel during the early '90s and proved his iconoclastic mettle in the ultra-edgy series *Hellstorm* and the miniseries *Druid* - followed by fondly remembered, extended runs on *Excalibur* and *Doom* 2099. After making a name for himself as a premier talent with Wildstorm's *Stormwatch*, *Transmetropolitan*, *The Authority* and *Planetary*, Ellis returned to Marvel to pen such titles as *Ultimate Fantastic Four*, the *Ultimate Galactus Trilogy* and *Iron Man*. His *Nextwave: Agents of H.A.T.E.* was both a critical smash and cult favorite. In addition to reviving the 1980s New Universe in *New Universal* and writing *Thunderbolts*, Ellis took over *Astonishing X-Men* following Joss Whedon and John Cassaday's departure, and penned perhaps the definitive story of the Armored Avenger in *Iron Man's "Extremis."* Artist Mike McKone was pegged as a future industry superstar when his first work was published in DC's *JLA* and *Legion*. In 2001, McKone collaborated with writer Judd Winick to launch Marvel's *Exiles*, a surprise hit among X-fans. Two years later, he teamed with writer Geoff Johns to revamp *Teen Titans* for DC. Since signing an exclusive contract with Marvel, McKone's credits include *Fantastic Four*, *Amazing Spider-Man* and *Avengers Academy*.
