Description :

Prsentation de l'diteurOne of Charles Bukowski's best, this beer-soaked, deliciously degenerate novel follows the wanderings of aspiring writer Henry Chinaski across World War II-era America. Deferred from military service, Chinaski travels from city to city, moving listlessly from one odd job to another, always needing money but never badly enough to keep a job. His day-to-day existence spirals into an endless litany of pathetic whores, sordid rooms, dreary embraces, and drunken brawls, as he makes his bitter, brilliant way from one drink to the next.Charles Bukowski's posthumous legend continues to grow. Factotum is a masterfully vivid evocation of slow-paced, low-life urbanity and alcoholism, and an excellent introduction to the fictional world of Charles Bukowski.Revue de presse"1Not since George Orwell has the condition of being down-and-out been so well recorded. - New York Times2Funny and sharp, observant, clever with

details and honest. - Times Literary Supplement
3A side-splitting chronicle ... dirty realism from the
godfather of lowlife literature - Uncut
4Its genius is simple and it shines a wee candle on the life of an
aspiring poet and home-relief applicant - Bizarre" (-)
