## Description :

Presentation de l'diteurHaving received a death sentence from her doctors, Lee Bueno-Aguer found that God had given her a better prescription--fasting to regain her health. From her own and others' experiences, as well as sound scriptural and medical guidelines, she discusses many aspects of fasting. She reports on many who have fasted and prayed for others and seen miraculous results, including marriages restored, the insane brought back to normal, the disappearance of tumors, and even raising of the dead. As you read this book, you will discover the amazing ways God has designed your body to restore itself and your spirit to be uplifted during a fast.Presentation de l'diteurHaving received a death sentence from her doctors, Lee Bueno-Aguer found that God had given her a better prescription--fasting to regain her health.
