War (and Clancy) are spreading throughout the ancienct cities.And all that stands in the way of terrible doom for everyone is:Rincewind the Wizard, who can't even spell the word 'wizard'...Cohen the barbarian hero, five foot tall in his surgical sandals, who has had a lifetime's experience of not dying.....and a very SPECIAL butterfly.

Prsentation de l'diteur'A foot on the neck is nine points of the law' There are many who say that the art of diplomacy is an intricate and complex dance. There are others who maintain that it's merely a matter of who

carries the biggest stick. The oldest and most inscrutable (not to mention heavily fortified) empire on the Discworld is in turmoil, brought about by the revolutionary treatise *What I did on My Holidays*. Workers are uniting, with nothing to lose but their water buffaloes; warlords are struggling for power - and what the nation wants, to avoid terrible doom for everyone, is a wizard. Rincewind is not the Discs premier wizard in fact, he cant even spell wizard but no-one specified whether competence was an issue. And they do have a very big stick Mighty Battles! Revolution! Death! War! (And his sons Terror and Panic and daughter Clancy). From Library Journal When the Agatean Empire requests the Great Wizzard, Lord Vetinari of Ankh-Morpork sends a pathetically inept wizard named Rincewind 6000 miles away to the Counterweight Continent to intercede. The latest novel in the satirical fantasy "Discworld" series; for fantasy collections with the series. Copyright 1997 Reed Business Information, Inc. Kirkus sMore comic fantasy from Pratchett's Discworld (Men at Arms, 1996, etc.) featuring another aspect of the unending strife between humans, fates, and the god that ``generally looked after thunder and lightning, so from his point of view the only purpose of humanity was to get wet or, in occasional cases, charred." This time, the incompetent ``wizard" Rincewind, hero of several of the earliest Discworld wingdings, makes a reappearance, along with other favorite characters such as the demented tourist, Twoflower, the unpredictable, multilegged Luggage--apparently it's found a mate--and Cohen the Barbarian. Fun, especially for those susceptible to Pratchett-inspired nostalgia. -- Copyright 1997, Kirkus Associates, LP. All rights reserved.
