## Description :

Présentation de l'auteur Although most of India's martial arts have been lost, the southwestern state of Kerala maintains a rich martial tradition in the ancient art of Kalarippayat, a complete system that incorporates empty-handed fighting, weaponcraft and a sophisticated method of massage and healing. After 10 years of intensive study, D.H. Luijendijk is one of a handful of Westerners to reach the instructor level in this obscure art. In this book, he reveals the hidden treasures of this exotic art to you.
