Description :

Prsentation de l'diteurA guide to the culture and traditions of Jewish wedding photography that allows readers to extend their business to the Jewish market, providing real insight and useful information on the different ceremonies from the completely secular to the extremely orthodox. Timelines and schedules are discussed with useful, informative case studies alongside advice of must-have images and advice on how to photograph the couple before and after the Chuppah.Prsentation de l'diteurA guide to the culture and traditions of Jewish wedding photography that allows readers to extend their business to the Jewish market, providing real insight and useful information on the different ceremonies from the completely secular to the extremely orthodox. Timelines and schedules are discussed with useful, informative case studies alongside advice of must-have images and advice on how to photograph the couple before and after the Chuppah.
