Description :

Prsentation de l'diteurCenturies ago, the moon Anarres was settled by utopian anarchists who left the Earthlike planet Urras in search of a better world, a new beginning. Now a brilliant physicist, Shevek, determines to reunite the two civilizations that have been separated by hatred since long before he was born. The Dispossessed is a penetrating examination of society and humanity -- and one man's brave undertaking to question the unquestionable and ignite the fires of change. Revue de presse This novel, by a celebrated Hungarian poet, depicts the world of his childhood The narrator, a young boy whose family is shunned-it was once wealthy and is suspected of being Jewish-endures beatings, hunger, and taunts with the

fatalism of someone who has never known anything else.
