Description :

Prsentation de l'diteurIn the dying days of a brutal civil war, Sohail Haque stumbles upon an abandoned building. Inside, he finds a young woman whose story will haunt him for a lifetime to come . . . Almost a decade later, Sohails sister Maya returns home after a long absence to find her beloved brother transformed. While Maya has stuck to her revolutionary ideals, Sohail has shunned his old life to become a charismatic religious leader. And when Sohail decides to send his son to madrasa, the conflict between them comes to a devastating climax. Set in Bangladesh at a time when religious fundamentalism is on the rise, The Good Muslim is an epic story about faith, family and the long shadow of war.Revue de presseAnams fluent prose and sharp insights are at their best when the narrative strays...into the surreal ways in which faith and love

work-and sometimes fail. (The New Yorker)The Good Muslim brims with gripping narrative, absorbing history and Shakespearean moral conundrums....A keen examination of survival and forgiveness. (Los Angeles Times)Anam has an eye for culture, and for cultural dissonance. The writers gift is to make the unfamiliar understood. The Good Muslim succeeds in doing exactly that, and doing it well. (Denver Post)Throughout the novels extremes of violence and tragedy, Anam always allows the ultimate humanity of the characters to shine through. (Kirkus)Anam has a gift for tackling complex issues both personal and political. (Library Journal)Gripping and beautifully written....From historical, political, and social tragedy, Anam has fashioned a mesmerizing story capturing a culture and a time. (Publishers Weekly (starred review))Anam seems to be a novelist not so much luxuriating in the act of writing as in total control of it, using the right words to create her stunning story. (Arifa Akbar, The Independent)Anam tells a poignant, little-known story of a country often lost in the maze of global politics.
