## Description :

Prsentation de l'diteurBefore beginning her career, Grace, a twenty-five year old recent graduate, plans an eight week holiday to England where she has a vague plan to begin in Cornwall. Once there, she befriends the innkeepers of the BB, a lesbian couple, who are in the midst of tragedy. While sitting in the village one night, she meets an attractive man who invites her for a drink in the pub, but she turns him down. She feels conflicted between the need to be safe while traveling alone versus taking risks to meet people. As a result, she berates herself for not saying yes while in a public place, but is presented with a second chance when she meets him again in an unexpected way.
